## The Mampoer Story

Mampoer is as much a part of African folklore as waaatlemoenkonfyt and biltong. It originated in the Transvaal and has been traced back to the Pedi chief, Mampuru. He discovered when he distilled fermented fruit the liquor produced had an explosive, mind-numbing kick. Today, only unsuspecting fools are brave enough to toss back this throat-searing, eye-watering jet fuel.

## COCK TALES
